The sixth semi-annual entertainment and social hop of Clay Literary Society took place at Union Hall on Friday evening of last week. Owing to the stormy state of the weather for several days preceding the entertainment, which left the roads leading into town in a bad condition, many people in the county were unable to attend. However, the receipts, aggregating \$80, exceeded the most sanguine expectations of the members. The entertainment was heartily enjoyed by those present. Mrs. J. P. Ewens and Messrs. Josh Davis and Lucien Johnson receiving rousing accolades. At the conclusion of the literary exercises about forty couple joined in the social dance which was kept up till 3 a. m.

A LONELY DEATH.

The Nude Body of a Dead Man Found at Agua Caliente.

On Monday morning last the body of a dead man was found in a field at Agua Caliente Springs, to the east of the Sonoma and Santa Rosa stage road. The discovery was made by Messrs. M. K. Cady, Frank Weiler and Chas. Potter.

The body was found in almost a state of nudity, the dead man having no clothing on his person except a small red undershirt and a sock on one of his feet. The deceased was seen the day previous to the discovery of the remains, wandering aimlessly around in the vicinity of Agua Caliente in an apparently demented condition.

Upon questioning the man the fact was elicited that he was occupying a cabin on the farm of Dr. Wooster, about one mile from the scene of his wanderings. Chas. Potter, taking compassion on the poor fellow, piloted him to the path leading to the cabin with the injunction to keep right ahead and he would soon be home. He then left him. The next morning, it having stormed fearfully the entire night, several parties visited the cabin of the man and found it unoccupied. Thereupon a search was instituted with the result narrated above. Deceased was a German and very aged and subject to epileptic fits. It was during one of these attacks that he wandered off and met his death from hunger and exposure. The dead man had been occupying the cabin but a few weeks and was a stranger in these parts, having been sent up from San Francisco by Dr. Wooster to reside on his farm, which is a lonely place, in the hills skirting the valley on the north.

Nothing is known of his antecedents and he was simply recognized by the name of Fred.

Coroner Tivnen held an inquest on the remains on the afternoon of their discovery. The jury empaneled to inquire into the manner of death, after hearing the evidence of a number of witnesses, rendered the following verdict:

"We, the jury, find that the name of deceased is Fred, about 65 years of age, a native of Germany, and that he came to his death on the 2d of January in Sonoma Township, by exhaustion and exposure, that he was in a feeble condition of health and subject to epileptic fits, and in a weak mental condition when he died from his house and met his death through the inclemency of the weather."

Death of Mark Wooster.

On Tuesday last Mark Wooster, for many years a resident of this city, died at his home at the ripe age of 84 years. About a year ago the old gentleman, who was very active for a man of his advanced years, met with an accident by being run over by a buggy and for a time things looked serious for him owing to his extreme old age, but he apparently recovered from his injuries, and was again seen upon our streets from time to time up to within a few weeks of his death, but the old man was never himself again and no doubt the accident hastened his death. Deceased was a pioneer of this valley, having come here from his native State, Connecticut, in the early fifties.

The Supervisors Visit Sonoma. On Thursday last Supervisors J. B. Connolly, O'Hara, Davis, Coulter and Allen paid Sonoma a visit for the purpose of enquiring into matter of the proposed bridge across Sonoma Creek between this city and the depot of the Santa Rosa and Carquinez Railroad. They remained until Friday morning when they took their departure for Santa Rosa. Supervisor Connolly, who by the way is one of the most wide-awake and progressive members of the Board, expressed himself as being of the opinion that the bridge in question was a public necessity and that it ought to be built. Mr. O'Hara was of the same opinion, and there is every reason to believe that the Board will take favorable action in the matter.

The Rainfall. The rainfall for the past 24 hours, ending at noon yesterday was .24 inches; for the storm, 5.34. This makes the rainfall for the season 9.04 inches against 3.58 for the corresponding time last year. The mountains are capped with snow and a heavy frost fell Friday morning, the thermometer registering 29 degrees at daylight. At the hour of going to press, 4 p. m. Friday it is clear and the barometer registers 30.15.

A REVOLVER BURSTS.

It Causes the Loss of Two Fingers and Lacerates a Man's Hand.

Gustave Haux, a young man employed on the farm of Dresel & Co., while celebrating the New Year last Sunday, by firing off a Colt's navy six-shooter, had the thumb and fore-finger of his left hand blown to atoms below the first joint by the bursting of the weapon. The thumb and fore-finger of the right hand, were also badly lacerated. The unfortunate young man was brought into town and taken to the office of Dr. Davis, who expects to save all the fingers from the first joint up, but it will be some time before the man will have the use of his hands again.

Installation of Officers.

The following officers of Valley of the Moon Chapter, No. 85, Order of the Eastern Star, were installed on Friday evening of last week, to serve for the ensuing year: Mrs. Dora Stofen, W. M.; Mr. Peter Thompson, W. P.; Mrs. Mary Cutter, A. M.; Mrs. Mary Shaw, Treas.; Miss Mattie Goodman, Secretary; Mrs. Medora McIntyre, Cond.; Mr. O. B. Shaw, Chaplain; Mrs. P. Thompson, Adah; Mrs. G. Sparks, Ruth; Mrs. G. Clark, Esther; Miss M. Wooster, Martha; Mrs. A. McHarvey, Electa; Mrs. E. Cassebohm, Warder; Mr. D. Calloway, Sentinel; Miss Eva Thompson, Organist.

After the installation Brother Cutter, on behalf of the sisters and brothers, presented the retiring Matron, Mrs. M. Akers, with a Past Matron's jewel in a very appropriate and impressive speech, which the retiring matron responded to in a fitting manner, thanking the sisters and brothers for their kindness during her term of office. Mrs. McHarvey, Past Matron of the Chapter, then presented Past Patron W. C. Goodman with a very elegant gold horseshoe, a square and compass suspended in the center. Past Patron P. N. Stofen was also presented with a handsome cake decorated with emblems of the order.

Meeting of City Trustees. The Board of City Trustees met at the Pavilion last Wednesday evening in regular session, Trustees Lawrence, Manuel, Wegner and McHarvey being present. The latter presided in the absence of chairman Harashty.

The minutes of the previous regular and special meetings were read and approved, after which the following bills were taken up, approved and ordered paid: T. H. Ellis, hauling gravel, \$24; A. J. Van Every, curb on Broadway, \$61.05; Timothy Hyman, labor, \$15.25; Albert Estes, labor, \$2; Albert Estes, labor, \$3; G. W. Sparks, salary, etc., \$24.96; A. Baxter, hauling, \$20; Wm. Parish, hauling, \$41; P. P. Monahan, labor, \$33; A. Fouts, labor, \$12; W. T. Bordwell, hauling, \$12. Total, \$240.29.

A warrant was ordered drawn on the Treasurer in favor of Gen. M. G. Vallejo, for \$49.67 being amount of delinquent taxes paid by him into the City Treasury.

On motion it was ordered that a committee of two be appointed to determine to whom the \$56.67 commissions due ex-Marshall Vallejo for collecting taxes belongs. Messrs. Wegner and Lawrence were appointed such committee, after which the Trustees adjourned.

The following officers of Sonoma Parlor, No. 111, N. S. G. W., were installed, last Monday evening by District Deputy Grand President A. DeWitt Brown of Santa Rosa: Past President, H. C. Martin; Financial and Recording Secretary, T. Monahan; Inside Sentinel, P. Donahue; Outside Sentinel, J. Church.

"Nothing to Equal It." "I have been selling Simmons Liver Regulator for the past six years. My customers pronounce it the best ever used. One of my customers whose health was in a wretched condition from a very bad and stubborn case of Dyspepsia, used the Regulator and was entirely cured. I am using it myself for Torpid Liver, caused by close confinement. I find nothing to equal it and highly recommend its use. Respectfully, C. P. Hisey, Druggist, Edinburg, Va." de24-1m

Glen Ellen Gossip.

"Snow, the beautiful snow," fell to the depth of one foot or so, on Sonoma mountain one day last week.

Geo. W. Jones, who taught school in Sonoma some twenty years ago, was in Glen Ellen last Thursday and Friday.

Prison Director J. K. Luttrell was up from San Francisco for a few days last week, looking after the interests of his farm.

Some hungry thieves broke into the slaughter house of Geo. Beatty on New Years Eve and stole therefrom a large quarter of beef.

Chas. Behler had several young men of this place arrested for malicious mischief last week. Their trial has been set for some time this week.

The late heavy rains have considerably swollen the creek, and salmon will soon make their appearance.

The rains have made the road of the Sonoma County Improvement Company impassable, there being many land slides and washouts. As soon as the weather settles it will be repaired and put in good traveling condition.

Our friend Wm. Scbbe, who so ably manages the affairs of the Sonoma Valley Railroad Depot at this place, being tired of single blessedness and wishing to begin the New Year in a proper way, was married in San Francisco on New Years Eve to Miss Lizzie Driscoll of that city. Lots of prosperity and happiness is the wish of an Old Timer.
